Newsletter – October 2025
Corpus Christi Hope House and the Gabriel Project

It gives us great pleasure to announce that Corpus Christi Hope House has already served a total of approximately 15,000 clients since January 1, 2025. Ninety-five (95) women and children resided in our shelters, 12,000 clients received assistance and counseling through our Gabriel Project Community Outreach Program, 650 moms and dads attended Life Skills Training Classes, and the remaining received various forms of homeless prevention services. We are off to another record setting year! Thank you for your support!

This month, we replaced the obsolete, worn-out air-conditioner in our offices, counseling rooms, classroom, and resource center with a new energy efficient unit. We are in the process of installing new flooring and painting the counseling rooms and kitchen.
