Corpus Christi Hope House and the Gabriel Project

Corpus Christi Hope House is proud to participate in the Coastal Bend Day of Giving – a 24-hour charitable challenge administered by the Coastal Bend Community Foundation. The online matching gift event begins November 12th at midnight and lasts for 24 hours. Early giving starts November 4th. The amount donated will be matched and doubled, up to \$24,000 per organization. Corpus Christi Hope House can raise at least \$48,000 in just 24 hours, but we must meet our \$24,000 goal to receive the matching contributions. Mark your calendars, we need your help!

Corpus Christi Hope House experienced a significant increase in the need for our services. This year, we have already served over 16,000 clients! We need your support to meet our match and the growing need for our services in the Coastal Bend. Please pray about it and give generously!
